FOREWORD

Within the fourteenth chapter of the Book of Joshua, I find Caleb petitioning Joshua for Mt. Hebron after wandering in the desert for 40 years. The question that comes to mind is, “Why did Caleb want this particular region of the Promised Land?” Remember, Caleb was one of the original twelve spies that Moses sent into the Promised Land. In fact, Caleb and Joshua were the only two that brought a good report concerning the Land of Promise, making statements such as,

“Let me go up at once and possess it; for I am well able to overcome it.” Numbers 13:30

However, their tenacious faith was not enough to override God’s judgement of the other ten spies, and all were forced to wander in the wilderness for 40 years. During this journey, Caleb had plenty of time to envision his descendants growing up in the land of Hebron, partaking of its fruits and establishing an inheritance for his future generations. In fact, Caleb never lost sight of that inheritance and remained full of faith, wavering not at the promises of God. The following account in Joshua provides a remarkable illustration of Caleb’s faith when requesting this mountain for his descendants.

Behold, the Lord hath kept me alive, as he said, these forty and five years, even since the Lord spake this word unto Moses, while the children of Israel wandered in the wilderness: and lo, I am this day fourscore and five years old. As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even so is my strength now, for war, both to go out, and to come in. Now therefore give me this mountain, whereof the Lord spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the Lord will be with me, then I shall be able to drive them out, as the Lord said. And Joshua blessed him, and gave unto Caleb the son of Jephunneh Hebron for an inheritance. Joshua 14:10-13

Even at 85 years of age, Caleb remained steadfast in his faith. What was it about this mountain that caused him to hold fast for so many years? Mt. Hebron was no ordinary part of the Promised Land; it was the crème de la crème of the Promised Land. In fact, it was within this land that the spies originally carried out the massive clusters of grapes upon their shoulders, as well as the place where Abraham and Sarah retired in their old age. However, Hebron was also the most heavily guarded region of all the Promised Land, being inhabited by the giants of Anak.

And they ascended by the south, and came unto Hebron; where Ahiman, Sheshai, and Talmi, the children of Anak, were. And they came unto the brook of Eshcol, and cut down from thence a branch with one cluster of grapes, and they bare it between two upon a staff: and they brought of the pomegranates, and of the figs. Numbers 13: 22-23

It would certainly stand to reason that the devil would endeavor to fortify such a possession with these giants in order to strike fear and intimidation into the hearts of all who approached this region. This tactic worked on the majority of the original spies until the enemy's scheme was challenged by none other than Joshua and Caleb. They were of a different spirit than the others, for they were indelibly branded with the God kind of faith that could not be shaken.

Mt. Hebron still stands today for every family in the body of Christ as the Promised Land of financial freedom. Although true, it is also for many a land that is inhabited by the giants of Anak, seeking to choke, collar and chain the financial destiny that God's Word has so abundantly provided for us.

Mt. Hebron is the promised land of Generational Inheritance. Let us rise up this day and drive the inhabitants from our land. This "War Manual" is dedicated to the establishment of this Inheritance within every family in the body of Christ.

Father in accordance with Matthew 26:50-53, I ask in the name of Jesus for the ministry of 72,000 angels for the assistance of establishing the Inheritance of Mt. Hebron.

KINGLY ANOINTING DAVID & CYRUS

Father I thank You that the kingly anointing of David and Cyrus rests upon me to subdue kingdoms before You this day. For You go before me to loose the armor of the kings of mammon and open before me the gates of my enemies, and they shall not be shut. For You go before me this day, to make the crooked places straight, and to break in pieces the gates of brass, and to cut asunder the bars of iron. Isaiah 45:1-2

Father I thank You that the high praises of God are in my mouth this day, and the two-edged sword in my hands; to execute vengeance upon the inhabitants of the land. This day I bind the kings of mammon in chains and the nobles in fetters of iron, and execute the judgement written. For Jesus has spoiled the principalities and powers of the land, having made a show of them openly, triumphing over them in it. Thanks be unto God, which always causeth me to triumph in Christ.
